

ABOUT US

Excellence. Quality. Professionalism.

Since 1987, Capital City Stucco has been an industry leader committed to construction excellence, quality and professionalism. We specialize in **Stucco, Plaster, Decorative Plaster, E.I.F.S., Stone and Specialty Finishes** with skilled capabilities to meet most any project requirement regardless of size or scope. We have experience in a variety of industries to include apartments, medical, condominiums, education, hospitality, casinos, industrial and commercial.

The Capital City Stucco team excels at project design, planning, estimating and management. This provides our client's with the assurance that projects will be completed on-schedule and on-budget. Our team also communicates consistently and effectively on project process, change orders and other important issues to minimize impact and risk on project completion.

At Capital City Stucco, **SAFETY IS OUR #1 PRIORITY!** We have earned the Gold Level S.T.E.P. Award from ABC National as well as the Award of Safety Excellence from the Georgia Chapter of ABC. This demonstrates our team's focus and commitment to comply with all safety regulations and complete each and every project safely and with zero incidents.

Working with Capital City Stucco provides a number of client benefits from extensive industry experience and construction expertise to proficient project management and safety excellence.

- ▶ **Over 30 years construction experience**
- ▶ **Licensed in 15 states across the U.S.**
- ▶ **Extensive industry experience**
- ▶ **Turnkey project services that minimize risk**
- ▶ **Safety excellence with industry leading EMR**

Not only are we focused on safety but also on being good stewards of the environment by using some of the most environmentally friendly designs, products and processes whenever possible. Toward that goal we have experienced LEED Certified team members who can support general contractors interested in obtaining LEED Certification for construction and building projects.
